Description / Use

Cork slippers with sponge rubber sole and leather upper.

This footwear is in conformity with Directive 89/686 EEC

Size:	36–41	ladies
	42–46	mens
Color:	60	black
	80	white

Recommended use

Work slippers designed to protect against minimal risks and weather conditions, which are neither exceptional nor extreme.

It is necessary to determine the right size by carefully trying on and measuring the shoes. Shoe fastenings must be used correctly.
